

19 April 2020

During these difficult times I must once again state that the rules on notice boards re working on the allotments **MUST BE FOLLOWED**.

VISITORS OTHER THAN PLOT HOLDERS ARE ONLY ALLOWED WITH PRIOR CONSENT AND THEY MUST BE AWARE AND FOLLOW THE GUIDELINES ON THE NOTICEBOARDS.

Failure to abide with the above could put the access to and usage of the plots at risk for all. We therefore insist authorisation visitors must be agreed in advance. Please note authorisation will only be granted in order to maintain the plot where circumstances require it.

No social access will be granted.

It is accepted that children can attend with parents when they live at the same house but request all are supervised at all times and remain on the plot.

Finally please challenge any strangers on the plots and report any sightings to an officer. This is not about being over zealous but assuring we remain open.

Regards
